**Outline of Medicare Supplement Coverage – Cover Page:**  
**Benefit Plans Medicare Supplement Core and 1 and 1A**

Medicare Supplement Insurance can be sold in only standard plans. This chart shows the benefits included in each plan. Every company must make available the "Core" plan. For persons who became Medicare Eligible prior to January 1, 2020, companies which make Medicare Supplement 1A plans available are to also make Medicare Supplement 1 plans available. For persons who became Medicare Eligible after January 1, 2020, companies may make Medicare Supplement 1A plans available, but they are not permitted to make Medicare Supplement 1 plans available. Companies may add certain benefits to the standard benefits, if approved by the Commissioner. Look at each company's materials to find out what benefits, if any, the company has added to the standard benefits for each plan it offers.

**Basic benefits included in all plans:**

**Hospitalization:** Part A coinsurance coverage for the first 90 days per benefit period (not including the Medicare Part A deductible) and the 60 Medicare lifetime reserve days, plus coverage for 365 additional days after Medicare benefits end. This shall also include benefits for biologically-based mental disorders.

**Medical expenses:** Part B coinsurance (generally 20% of Medicare-approved expenses), or, in the case of hospital outpatient department services paid under a prospective payment system, applicable copayments. This shall also include benefits for biologically-based mental disorders.

**Blood:** First three pints of blood each year.

Policy Category: Medicare Supplement Insurance

**NOTICE TO BUYER:** This Policy may not cover all of the costs associated with medical care incurred by the buyer during the period of coverage. The buyer is advised to carefully review all Policy limitations.

## **Premium information**

We, Fallon Health & Life Assurance Company, can only raise your premium if we raise the premium for all Policies like yours in Massachusetts, and if approved by the Commissioner of Insurance. If you choose to pay your premium on a quarterly, semiannual, or annual basis, upon your death, we will refund the unearned portion of the premium paid. If you choose to pay your premium on a quarterly, semiannual, or annual basis and you cancel your Policy, we will refund the unearned portion of the premium paid. In the case of death, the unearned portion of the premium will be refunded on a pro-rata basis.

## **Disclosures**

Use this outline to compare benefits and premiums among Policies.

## **Read your Policy very carefully**

This is only an outline describing your Policy's most important features. The Policy is your insurance contract. You must read the Policy itself to understand all the rights and duties of both you and your insurance company.

## **Right to return Policy**

If you find that you are not satisfied with your Policy, you may return it to Fallon Health & Life Assurance Company, Fallon Medicare Plus, 1 Mercantile St., Ste. 400, Worcester, MA 01608. If you send the Policy back to us within 30 days after you receive it, we will treat the Policy as if it had never been issued and return all your payments.

## **Policy replacement**

If you are replacing another health insurance Policy, do NOT cancel it until you have actually received your new Policy and are sure you want to keep it. If you cancel your present Policy and then decide that you do not want to keep your new Policy, it may not be possible to get back the coverage of the present Policy.

## **Notice**

This Policy may not fully cover all your medical costs. Fallon Health & Life Assurance Company is not connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult "Medicare & You" for more details.

If you newly enroll in a Medicare Supplement 1 plan and you became Medicare eligible before January 1, 2020, you will not be able to switch into the same company's Medicare Supplement 1A plan until you have been covered under the Medicare Supplement 1 plan for a period of at least 12 months.

## **Complete answers are very important**

When you fill out the application for the new Policy, be sure to answer all questions truthfully and completely. The company may cancel your Policy and refuse to pay any claims if you leave out or falsify important information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

## **Massachusetts Summary**

The Commissioner of Insurance has set standards for the sale of Medicare Supplement Insurance Policies. Such Policies help you pay hospital and doctor bills, and some other bills, that are not covered in full by Medicare. Please note that the benefits provided by Medicare and this Medicare Supplement Insurance Policy may not cover all the costs associated with your treatment. It is important that you become familiar with the benefits provided by Medicare and your Medicare Supplement Insurance Policy. This Policy summary outlines the different coverages you have if, in addition to this Policy, you are also covered by Part A (hospital bills, mainly) and Part B (doctors' bills, mainly) of Medicare.

Under M.G.L. c. 112, § 2, no physician who agrees to treat a Medicare beneficiary may charge to or collect from that beneficiary any amount in excess of the reasonable charge for that service as determined by the United States Secretary of Health and Human Services. This prohibition is commonly referred to as the ban on balance billing. A physician is allowed to charge you or collect from your insurer a copayment or coinsurance for Medicare-covered services. However, if your physician charges you or attempts to collect from you an amount which together with your copayment or coinsurance is greater than the Medicare-approved amount, please contact the Board of Registration in Medicine at 1-781-876-8200.

We cannot explain everything here. Massachusetts law requires that personal insurance Policies be written in easy-to-read language. So, if you have questions about your coverage not answered here, read your Policy. If you still have questions, ask your agent or our company. You may also wish to get a copy of "Medicare & You", a small book put out by Medicare that describes Medicare benefits.

**The Benefits to Premium Ratio for Fallon Medicare Plus Supplement Core is 94.9%.** This means that during the anticipated life of your Policy and others just like it, the company expects to pay out \$94.90 in claims made by you and all other Policyholders for every \$100 it collects in premiums. The minimum ratio allowed for Policies of this type is 65%. A higher ratio is to your advantage as long as it allows the company a reasonable return so that the product remains available.

**The Benefits to Premium Ratio for Fallon Medicare Plus Supplement 1 is 82.9%.** This means that during the anticipated life of your Policy and others just like it, the company expects to pay out \$82.90 in claims made by you and all other Policyholders for every \$100 it collects in premiums. The minimum ratio allowed for Policies of this type is 65%. A higher ratio is to your advantage as long as it allows the company a reasonable return so that the product remains available.

**The Benefits to Premium Ratio for Fallon Medicare Plus Supplement 1A is 90.7%.** This means that during the anticipated life of your Policy and others just like it, the company expects to pay out \$90.70 in claims made by you and all other Policyholders for every \$100 it collects in premiums.
